STEP INTO THE SAXON SPA

Step into the Saxon Spa, an oasis nestled in its unique surroundings. Cascading water features, a signature fireplace and influences of copper and Himalayan salts set the backdrop for a restful journey. This metropolitan spa offers holistic disciplines of a spa journey, giving our guests time to rediscover a healthy and discerning lifestyle.

With its soothing water features, striking fireplace and healing influences of copper and Himalayan salts, the Saxon Spa provides the perfect setting for physical and mental rejuvenation. These healing natural elements have been strategically integrated into the spa's luxurious design to promote vitality and balance.

Every treatment room is ionised by a locally hand-crafted Himalayan salt chandelier, which purifies the surrounding air. Copper is a healing metal that has been used for thousands of years for its healing and energy-boosting properties. The soothing sounds of flowing water from the water features and hydro facilities add to the tranquil atmosphere of the spa.

The uplifting aromas of the Saxon Spa's signature scent will surround you throughout your spa journey. The revitalising scent blends therapeutic notes of rosemary, eucalyptus, rose and jasmine petals, pomegranate blossoms, musks, cedarwood and sandalwood.

From the healing Digital Detox Journey and the therapeutic sounds of our Signature Mindfulness Journeys, to the stress-relieving Rasul Spa Ritual, the Saxon Spa's Signature Therapies are a unique collection of the ultimate rejuvenative journeys. Combining the healing wisdom of ancient rituals with the modern edge of luxury spa products, each of these holistic Signature Therapies will engage all of your senses and restore balance to your mind, body, and spirit.

To start your relaxation process, each spa therapy or treatment journey begins with a welcoming milk foot ritual to soak away your day-to-day stresses. Your spa journey can be further personalised by selecting your choice of background music.

IMMERSE YOURSELF IN THE SERENITY OF OUR SANCTUARY
