An out-of-this-world spa experience! It is our Saxon Spa promise that this elite treatment will not disappoint. This incredibly premium experience will transport the body and mind to a realm of rejuvenation and leave the guest feeling invincible.
Your supreme journey begins with a welcoming milk foot ritual that soaks away your day-to-day stresses. This is followed by a full body Himalayan salt scrub, with the immersive Saxon Signature Scent, to renew your skin cells and reveal unbelievably soft, glowing skin. Once the scrub is showered off, your body is pampered with an expert stress-dissolving full body hot granite massage. This decadent specialised massage uses the heat-retaining stone, together with rhythmic massage movements, to warm and ease the muscles of tension. A cold rose quartz crystal is then used to relieve and heal muscular inflammation. This treatment is an absolute must for spa connoisseurs.
This relaxing experience ends off with a refreshing glass of Bubbly. Each guest will also receive a luxurious Molton Brown 100ml Mini Body Wash.
